

CARLISLE

branded tires are now

CARLSTAR

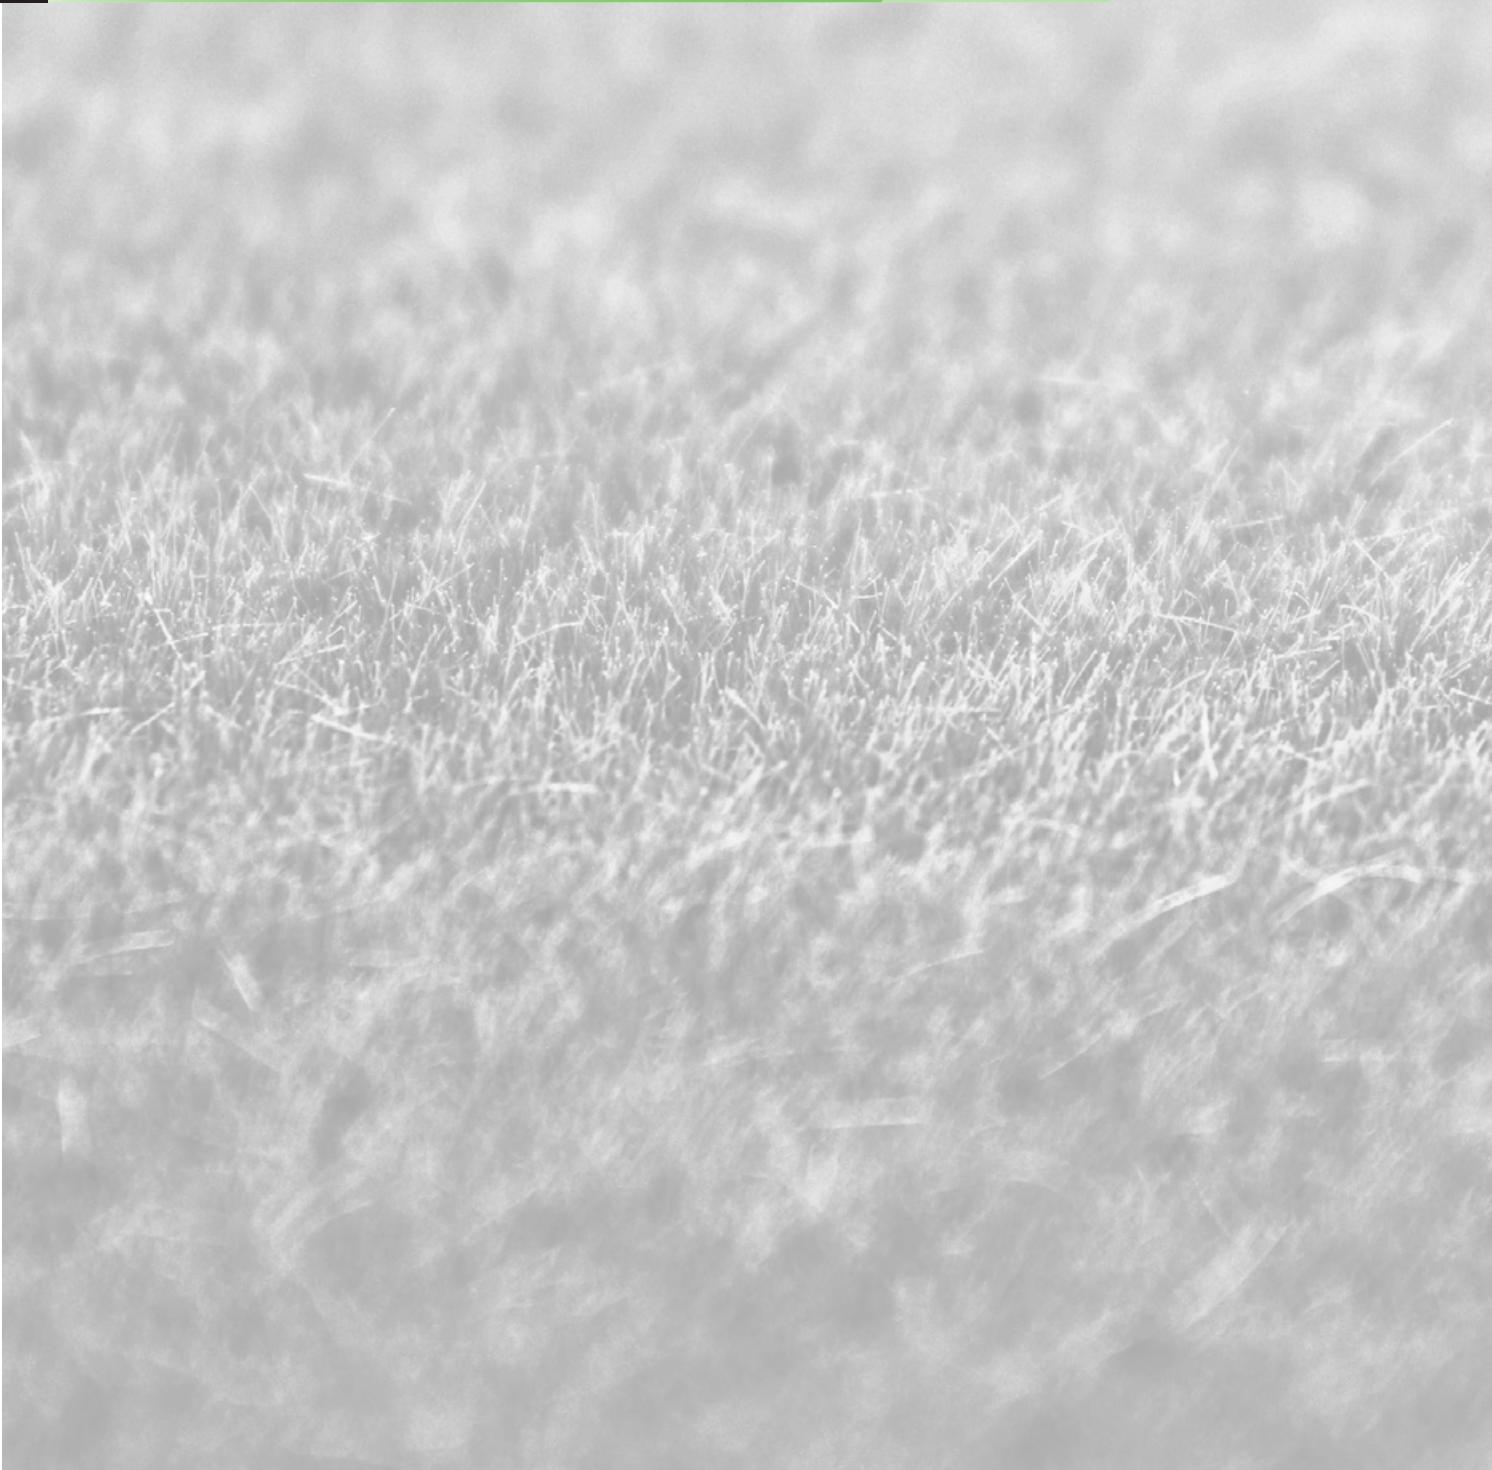

LAWN, GARDEN & GOLF

LAWN, GARDEN & GOLF

OUTDOOR POWER EQUIPMENT

A wide selection of turf proven, purpose-designed tread offerings coupled with application-based, puncture resistant compounding has made Carlisle a leading source for outdoor power equipment turf specialty tires. These tires are now getting a new brand name after their manufacturing company: CARLSTAR.

TREAD VIEW QUICK REFERENCE GUIDE

AT 101 CHEVRON

Riding Mowers, Garden Tractors, Snow Throwers, Tillers, ATV's and Utility Vehicles

The AT101 Chevron is a specialty lug design with bars that taper in the shoulder area. This feature, along with muted lug depth, allows it to be used as a drive tire on zero turn mowers when extra traction is needed.

Item Number	Size	Star/PR	LI/SI	ECE	Mounted Diameter (mm)	Mounted Width (mm)	Max Load (kg)	Rated Speed (km/h)	Inflation Pressure (bar)	Weight (kg)	CoO	EAN

VERSA TURF

Garden tractors, ATV & Utility vehicles

Versa Turf is the turf friendly Radial tire with the traction of an Ag tire. Designed with a radial construction for improved flotation, the Versa Turf reduces turf disturbance while maximizing traction with its 60% deeper tread depth compared to a standard R3 tire design. Engineered with superior mud-shedding performance by featuring self-cleaning breaker bars in the tread and rounded shoulders.

SNOW HOG

Riding Mowers, Garden Tractors, Snow Throwers, Tillers, ATV's and Utility Vehicles

With its distinctive „X” shaped tread elements, Snow Hog stands out from the crowd. It is primarily used on snow throwers but can be considered whenever superior traction is needed.

STRAIGHT RIB

Transport Vehicles, Riding Mowers, Garden Tractors, Farm Equipment & Wheelbarrows

The Straight Rib tire is designed with tread grooves to channel moisture away from the contact patch and provides a slight lateral traction which can be helpful when traversing mild inclines.

TOUR MAX

Golf Carts and Utility Vehicles

The Tour Max is a low profile, smooth riding tire designed primarily for golf carts and closed community vehicles. The tread pattern, rubber compound, and tire construction provide durability as well as ride comfort on hard surface paths.

TURF MATE

Consumer, Commercial Turf Equipment, Golf Carts & Utility Vehicles

Turf Mate tires are very gentle to the turf and have traction on grass. Turf Mate tires are easy steering and will not dig up the turf even on the sharpest turns.

TURF SAVER

Consumer, Commercial Turf Equipment, Golf Carts & Utility Vehicles

With its classic square shouldered design, the Turf Saver tire is the market leader for residential riding lawn mowers worldwide. The flat profile and chevron tread provide excellent traction. Its turf-friendly design and breadth of line make it versatile in both application and fitment.

ULTRA TRAC

Consumer, Commercial Turf Equipment, Golf Cars & Utility Vehicles

Ultra Trac is the right approach for those specialized applications where high flotation is essential. Ultra Tracs are wide with a flat footprint and reduced void in the tread. These features yield low ground pressure and good traction while preserving the turf. Ultra Trac tires are most often utilized on golf and grounds maintenance equipment.

TURF SMART

Consumer, Commercial Turf Equipment, Golf Carts & Utility Vehicles

Turf Smart provides supreme traction, turf protection and durability for all of your ground care needs. Traction is enhanced through an innovative tread design featuring a self-cleaning Groove Ejection System which helps to keep the tread pattern fully engaged with the turf. This provides consistent performance required by ground care professionals. Used primarily on ZTRs, riding mowers and other grounds care equipment.

THE NEW VERSA TURF

The Versa Turf tire is the perfect blend of R1 traction with R3 turf protection. Turf friendly, with the traction of an Ag tire.

Features and Benefits

- Radial construction provides improved flotation for better traction and minimizes turf disturbance.
- Directional tread pattern and engineered breaker bars for improved self-cleaning performance.
- Deep tread design for optimal performance in all soil and turf conditions.
- This tire is designed with a greater than 60% deeper tread depth than your standard R3 tire designs.
- Rounded shoulders to minimize turf damage during turns.

CARLISLE branded tires are now **CARLSTAR**
